PLANNING DIVISION

APPLYING FOR AN ARTIFICIAL TURF PERMIT

- Step 1: If artificial turf is proposed in the front yard, please follow the steps below. If artificial turf is proposed in the parkway, please contact the Public Works department at 714-562-3670.
- Step 2: Click [Artificial Turf Permit](#) to access our on-line application portal and submit your application. A [Certification of Artificial Turf Installation](#) must be completed by a licensed professional and uploaded to the on-line application portal at the time of application.
- Step 3: Upon successfully completing the on-line application and uploading all required documentation / material, you will receive a Letter of Approval permitting the installation of artificial turf on your property. Installation of artificial turf within the parkway will require separate approval from the Public Works department.
