RESOLUTION NO. OB- ____

A RESOLUTION OF THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY TO THE CITY OF BUENA PARK COMMUNITY REDEVELOPMENT AGENCY APPROVING A SHORT TERM LEASE BY THE SUCCESSOR AGENCY

A. Pursuant to Health and Safety Code Section 34175(b) and the California Supreme Court's decision in *California Redevelopment Association, et al. v. Ana Matosantos, et al.* (53 Cal.4th 231(2011)), on February 1, 2012, all assets, properties, contracts, leases, books and records, buildings, and equipment of the City of Buena Park Community Redevelopment Agency (the "Agency") transferred to the Successor Agency to the City of Buena Park Community Redevelopment Agency (the "Successor Agency") by operation of law.

B. Health and Safety Code Section 34181(a) provides that the oversight board of the Successor Agency (the "Oversight Board") shall direct the Successor Agency to dispose of all assets and properties of the former redevelopment agency.

C. Premier Exhibitions Management LLC has requested that the Agency enter into a short-term lease (i.e., a short term or temporary "disposition" of property) for the property at 7711-7733 Beach Boulevard owned by the Agency in exchange for investing approximately \$500,000 to \$600,000 in needed repairs and improvements; the proposed form of such lease is attached hereto (the "Lease").

D. Premier Exhibitions Management LLC will also assume \$80,000-\$85,000 in annual maintenance, utilities, security alarm and special county assessment costs from the Successor Agency.

E. The Agency does not have the funds to make such needed repairs and improvements, and by operation of law, as landlord the Agency will own the existing improvements (as repaired) and new improvements at the expiration (or any earlier termination) of the Lease. The improvements and repairs will extend the useful life of the building structure until such time as the property can be sold; inasmuch as the DOF has rejected our request for funds to demolish the structure.

F. Pursuant to Health and Safety Code Sections 34179(f) and 34181(f), notice of this action was posted on the Successor Agency's website on February 22, 2013.

NOW, THEREFORE, the Oversight Board for the Successor Agency to the Buena Park Community Redevelopment Agency hereby finds, determines, resolves, directs and orders as follows:

Section 1. The above recitals are true and correct and are a substantive part of this Resolution.

Section 2. The Oversight Board hereby approves the Lease and directs the Successor Agency to enter into the Lease.

Section 3. The staff of the Successor Agency is hereby directed to provide the State Department of Finance (“DOF”) written notice and information regarding the action taken by the Oversight Board in Section 2 of this Resolution. Such notice and information shall be provided by electronic means and in a manner of DOF’s choosing.

Section 4. The officers of the Oversight Board and the staff of the Successor Agency are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable to effectuate this Resolution.

I, Shalice Tilton, Secretary of the Oversight Board for the Successor Agency to the Redevelopment Agency of the City of Buena Park, California, hereby certify that the foregoing resolution was duly and regularly passed and adopted at a regular meeting of the Oversight Board for the Successor Agency to the Community Redevelopment Agency of the City of Buena Park, held this 27th day of February 2013.

**LEASE
(7711-7733 Beach Boulevard)**

This LEASE (this "Lease") is dated as of February 26, 2013 and is entered into by and between the SUCCESSOR AGENCY OF THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF BUENA PARK, a public body, corporate and politic ("Landlord") and PREMIER EXHIBITION MANAGEMENT, LLC, a Florida limited liability company ("Tenant").

RECITALS

WHEREAS, Landlord is the owner of land improved with approximately 60,000 sq. ft. of building area and surface parking located at 7711-7733 Beach Boulevard in Buena Park, California bearing APN's #136-203-40, 136-211-57, and 136-211-64; and

WHEREAS, a portion of the property owned by Landlord is currently vacant and Landlord desires to provide the space to a suitable Tenant due to its economic development goals and to benefit the public (including, without limitation, providing educational and employment opportunities); and

WHEREAS, Landlord desires to lease to Tenant, and Tenant desires to lease from Landlord, approximately 37,490 sq. ft of the existing building and an area outside of such building for installation of a ship model, as shown on the Site Plan attached hereto as Exhibit "A" and the diagram attached hereto as Exhibit "C" (the "Leased Premises") and the non-exclusive right to use the adjacent parking areas and rights to use the two existing monument signs for such building, on the terms and conditions described below;

NOW, THEREFORE, for good and adequate consideration, the sufficiency of which is hereby acknowledged, it is hereby mutually agreed as follows:

AGREEMENT

Section 1. Lease of Property; Parking Rights. Landlord leases to Tenant, and Tenant leases from Landlord, the Leased Premises for the Term and upon the covenants, agreements, and conditions set forth herein. Tenant shall also have the non-exclusive right to use the surface parking adjacent to the building subject to the non-exclusive parking rights of third parties under existing leases---specifically: (i) lease with Starbucks (20 spaces); (ii) lease with Medieval Times (70 spaces) and (iii) lease with Pirates (30 spaces) – copies of which have been delivered to Tenant. Tenant shall have the exclusive right to use the larger monument sign, and the right to use the smaller monument sign subject to the existing rights of Starbucks.

Section 2. Conditions Precedent. The effectiveness of this Lease is hereby conditioned upon the satisfaction of the following conditions precedent on or before March 30, 2013:

- (i) the written approval of this Lease by the Oversight Board of Landlord;

- (ii) the written approval of this Lease by the California Department of Finance (“DOF”) (and Tenant acknowledges that such approval might not be given until after the issuance of a Finding of Completion by the DOF or even approval of this lease transaction on the management plan contemplated by AB 1484), or the failure of the DOF to disapprove this Lease within the time prescribed by law if any; and
- (iii) the approval of the Premier Exhibitions, Inc. Board of Directors.

Landlord and Tenant shall use good faith efforts to obtain such approvals. If any of the conditions is not satisfied by March 15, 2013, then either party may terminate this Lease by written notice to the other within five (5) business days thereafter.

Additionally, if despite the commercially reasonable and good faith efforts of Tenant, the City of Buena Park has not issued the permits or approvals required for the improvements described on Exhibit “C” on or before May 15, 2013, then Tenant may terminate this Lease by written notice to Landlord given within five (5) business days thereafter.

Section 3. Term and Effective Date. The term of this Lease shall commence upon the timely satisfaction of the foregoing conditions precedent, and shall expire on January 1, 2015. With the approval of the City Manager of Landlord, the term of this Lease may extend on a month to month basis after January 1, 2015.

Section 4. Improvements. Tenant shall make the improvements to Leased Premises generally depicted on Exhibit “C” and shall open for business to the general public for the Permitted Use no later than one hundred twenty (120) days after the commencement of the Term of this Lease. All such improvements must comply with law and applicable governmental permits, approvals and conditions issued or imposed by the City of Buena Park. Any other improvements and signs shall require the written consent of the City Manager.

Section 5. Rent; Security Deposit. The sum of one (\$1) Dollar shall be the rent for the Leased Premises paid by Tenant to Landlord for each month of the initial Term and any extensions thereof. Tenant shall be permitted to pay the rent in advance in one lump sum.

Concurrently with its execution and delivery of this Lease, Tenant shall deposit with Landlord the sum of Sixty Thousand and No/100 Dollars (\$60,000.00) (the “Security Deposit”). The Security Deposit shall be held by Landlord as security for the faithful performance by Tenant of all of the terms, covenants, and conditions of this Lease to be kept and performed by Tenant during the Term hereof. If Tenant defaults with respect to any provisions of this Lease, Landlord may (but shall not be required to) use, apply or retain all or any part of the Security Deposit for the payment of any other amount which Landlord may spend or become obligated to spend by reason of Tenant’s default or to compensate Landlord for any loss or damage which Landlord may suffer by reason of Tenant’s default. If any portion of the Security Deposit is so used or applied, Tenant shall, within ten (10) days after demand therefor, deposit cash with Landlord in an amount sufficient to restore the Security Deposit to the then required amount.

Landlord shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on such Security Deposit. Tenant waives any rights it may have under Section 1950.7 of the California Civil Code with respect to the Security Deposit. Within thirty (30) days following the expiration or earlier termination of this Lease and Tenant's performance of all of its obligations under this Lease, the Security Deposit or any balance thereof shall be returned to Tenant; **provided, however, that if no uncured default by Tenant exists as of the date Tenant completes its improvements and opens for business, or if any such uncured default is later cured within the period for cure set forth in Section 15 below, Landlord shall then return the Security Deposit to Tenant at that earlier time.** If Landlord sells its interest in the Leased Premises and deposits with the purchaser thereof the then-unapplied portion of the Security Deposit, and identifies such amounts as the security deposit of Tenant, then Landlord shall be discharged from any further liability with respect to such Security Deposit.

Section 6. Permitted Uses. Uses permitted at the Leased Premises shall be limited to the presentation of museum quality exhibits, including, but not limited to, a human anatomy exhibition entitled "Bodies Revealed" or "Bodies... The Exhibition" or some other appropriate title, artifact-based exhibitions entitled "Titanic... The Artifact Exhibition" or "Titanic, The Experience" or other exhibitions to be determined by Tenant in its discretion (collectively, the "Exhibitions") which may include sales of merchandise and food and beverages in connection therewith, subject to the issuance of the applicable governmental permits and approvals for such uses. The parking areas shall be used only for parking for Tenant's employees, agents, contractors and invitees.

Section 7. Compliance with Law. Tenant shall not use the Leased Premises or parking areas or permit anything to be done in or about them which will in any way conflict with any law, statute, regulation, ordinance, zoning requirement, or other governmental rule or regulation now in force or which may hereinafter be enacted or promulgated. Tenant shall, at its sole cost and expense, promptly comply with all law, statutes, ordinance, and other governmental rules, regulations or requirements now in force or which may be hereinafter be enacted and promulgated, and with the requirements of any board of fire insurance underwriters or other similar bodies now or hereafter constituted, relating to, or affecting the condition, use or occupancy. The judgment of a court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord is party thereto or not, that the Tenant has violated any law, statute, ordinance or any other governmental rule or regulation shall be conclusive of that fact as between Landlord and Tenant.

Section 8. Maintenance and Utilities. Tenant shall maintain the Leased Premises (including but not limited to the structure, roof [including, without limitation, repair of all leaks after Tenant does initial repair], foundation, heating, cooling, foundation and drainage, fire protection, sprinkler, electrical, plumbing and sewer systems]), the parking areas and both monument signs, except for the Starbuck's portion of that sign, in good condition and repair.

Tenant shall maintain and keep the interior space included in the Leased Premises in first class condition by performing normal day-to-day maintenance, including the sweeping and cleaning of floors and hard surfaces, cleaning and repairing of the doors, windows and window frames, and shall maintain and repair all portions of the store front area, and all exterior doors,

and shall replace all broken and cracked interior and exterior glass. Tenant shall be responsible for installing any electrical wiring and cabling it will need. Tenant shall also, at its sole cost and expense, make (a) such repairs to the Leased Premises, parking areas, monument signs and ship model area which are required because of the acts of Tenant or its agents, contractors or visitors, (b) any changes thereto that are required in connection with Tenant's use of the Premises or Tenant's alterations to the Leased Premises; (c) any other changes to the Leased Premises, parking areas, and monument sign(s) required by law, including new laws and changes in laws. Tenant's maintenance obligations shall include the routine maintenance of the parking and landscaping areas adjacent to the building or in or adjacent to parking areas, and disposing of all trash and refuse in the parking area and such landscaped areas. In the event of fire or other casualty that will cost more than \$25,000 to repair, or in the event of a latent structural defect not caused by Tenant or its agents or contractors and not discoverable by a diligent non-invasive inspection of the Leased Premises prior to the date hereof, then Tenant may in its sole discretion either irrevocably elect to repair the defect or damage, as applicable, or terminate this Lease, by written notice to the Landlord given within thirty (30) days after discovery of the defect on occurrence of the damage, as applicable.

Tenant shall install separate meters (when applicable/appropriate) for water, electrical, gas and other utilities, and shall obtain and pay for such utilities.

Section 9. Possessory Interest Tax and Other Taxes. Landlord hereby gives Tenant notice, and Tenant acknowledges receipt of such notice, as required pursuant to California Revenue and Taxation Code Section 107.6, that the leasehold interest created by this Lease may result in a possessory interest tax, and that in such event Tenant shall be obligated to pay such tax. In addition, Tenant shall be solely responsible for the payment of all other taxes attributable to the Tenant's occupancy and use of the Leased Premises.

Section 10. Improvements. Tenant and Tenant's contractors may make, install or construct improvements to the Leased Premises and parking areas as generally described on Exhibit "B" and depicted on Exhibit "C" at Tenant's cost, provided they comply with law and provided, further, that Tenant has obtained all applicable permits and has obtained the written approval of Landlord (in its proprietary capacity under this Lease) of the plans therefor, which will not be unreasonably withheld.

Tenant shall pay prevailing wages for all work and shall otherwise comply with Labor Code Section 1720 et seq. in connection with the work, and Tenant shall obtain payment and performance bonds covering the work.

Section 11. Assignment and Subletting. Tenant shall not assign this Lease, sublet the Leased Premises or otherwise convey its rights under this Lease without Landlord's written consent in its sole and absolute discretion.

Section 12. Right of Entry. Landlord shall have the right to enter and inspect the Leased Premises or parking areas at any time, provided that with respect to inspections of the interior of the buildings, Landlord has given Tenant at least 24 hours' prior oral notice if Landlord receives in writing from Tenant, before Tenant opens for business, the phone number that Landlord is to call.

Section 13. Insurance. Tenant shall carry liability and property insurance in an amount of not less than One Million dollars per incident and Two Million dollars cumulative, naming the Landlord and the City of Buena Park and their respective elective or appointed boards, board members, council members, officers, employees and agents as additional insureds, which shall be primary and not contributing with respect to any liability insurance carried by Landlord. The policy may not be modified or cancelled without having first provided Landlord with not less than thirty (30) calendar days' written notice.

Tenant shall deliver evidence of such insurance to Landlord concurrently with its execution and delivery of this Lease, and from time to time thereafter within ten (10) business days after written notice from Landlord.

Landlord shall maintain **casualty** insurance in accordance with and to the extent described in Exhibit "D" attached hereto.

Section 14. Surrender. Tenant agrees, upon the expiration of this Lease, to quit and surrender the Leased premises to Landlord, free of all personal property and trade fixtures and free of all signs installed by Tenant (excluding any monument sign).

Section 15. Default. In the event that either party shall be in default in the performance of any obligation on its part to be performed under the terms of this Lease, and the default continues for thirty (30) days following written notice thereof from the other party (an "Event of Default"), the non-defaulting party may (i) terminate this Lease by written notice to the other party and (ii) exercise any and all remedies granted by law, including but not limited to damages.

Section 16. Representations and Indemnification.

(a) Landlord represents and warrants to Tenant that Landlord has the right, subject to the required approvals referenced in Section 2, to grant this Lease and Tenant represents and warrants to Landlord that Tenant has the right to enter into this Agreement. If either party breaches its representation in this Section, such party agrees to indemnify, defend and hold the other party harmless from and against any and all claims, actions, damages, liabilities, costs and expenses (including reasonable attorney, fees) imposed upon, asserted or incurred by the other party as a consequence of any such breach of this representation.

(b) Tenant shall defend, indemnify and hold harmless Landlord, each and every officer, employee and agent of Landlord (the "indemnified Parties") from and against any and all liabilities, actions, damages, claims, losses, costs and expenses of every and any type by reason of, or resulting from (a) the use of the Leased Premises, parking areas, monument signs or ship model area, or any part thereof by Tenant, its officers, agents, contractors, employees or invitees or (b) a breach of Tenant's obligations or representations under this Lease, including any failure to pay prevailing wages as required herein. Notwithstanding the foregoing, Tenant shall have no liability with respect to a "latent" structural defect in the Premises not caused by Tenant or its agents or contractors, and not discoverable by a diligent non-invasive inspection of the Leased Premises on or prior to the date hereof, or any claims arising from or in connection with the negligence or willful misconduct of Landlord or its employees, agents or contractors;

provided, however, that if Tenant discovers such a latent defect during the cause of Tenant's work, Tenant shall promptly notify Landlord and Landlord shall have the right to terminate this Lease by written notice to Tenant.

(c) Tenant and, (except for damage caused by Tenant or its contractors, employees or agents that is within the deductible amount of Landlord's casualty insurance) Landlord each hereby release the other from any liability or responsibility for any loss or damage to its own real or personal property caused by fire or other casualty or whatever kind without regard to whether such loss or damage was occasioned by the negligence of the other, its agents, contractors or employees. Landlord shall not be liable to or for any damages, claims, costs or expenses whatsoever with respect to the trade fixtures, furnishings or exhibits in the Leased Premises, whether caused by water, steam, cold, heat, fire or other casualty, or for or from any other cause whatsoever. All such items, goods and materials shall be placed in and on the Leased Premises at the sole risk of Tenant.

(d) The obligations hereunder shall survive the expiration or earlier termination of this Lease.

Section 17. Acceptance of Leased Premises. Tenant acknowledges, represents and warrants that Tenant and its architect and contractor have inspected the Leased Premises, parking areas and monument signs. Tenant accepts the Leased Premises, parking areas, monument signs, ship model area and landscaping in their current "AS IS" condition, without representation or warranty, express or implied.

Section 18. Partial Invalidity. If any one or more of the terms, provisions, covenants or conditions of this Lease shall to any extent be invalid, unenforceable, void or voidable for any reason whatsoever, none of the remaining terms, provisions, covenants and conditions of this Lease shall be affected thereby, and each provision of the Lease shall be valid and enforceable to the fullest extent permitted by law.
