

SHUTTLE SERVICE

Buena Park Metrolink Station/Fullerton Park-and-Ride

Additional parking is now available for passengers using the Buena Park Metrolink Station. The City of Buena Park and the Orange County Transportation Authority (OCTA) have teamed up to provide shuttle bus service between the Buena Park Metrolink Station and the Fullerton Park-and-Ride. The shuttle bus operates every 10 minutes during peak commute hours, in the morning and afternoon, Monday through Friday. The shuttle will meet every train on the Metrolink Orange County and 91 Lines. This convenient alternative to station parking will continue for a one-year demonstration period. The shuttle service is funded by OCTA and managed by the City of Buena Park.
